

ALAz-LED CRI > 95 

Lights with a high CRI make colors and skin tones appear as natural as with daylight

LED / + Magnet / + Clip / + Nut alle Maße in mm. / all dimensions in mm

ALAz-LED sind bauformoptimiert für den flexiblen Einbau in moderne Regalsysteme. Verschiedene Anschlusskabel und ein Stromschienenkonzept runden die Produktpalette ab.

ALAz-LED is optimised for a flexible installation into modern shelving systems. Various connection cables and power supplies complete the product range.

Datenblatt / Data sheet

Spannung / Voltage	24 V
Elektrische Leistung / Electrical Power	12 Watt / m
Lichtstrom / Luminous Flux	1400 Lumen / m
Lichtfarbe / Colour Temperature	2.700K - 3.000K - 4.000K - 5.000K customised Colour Temperature on request
Lebensdauer / Lifetime	> 55.000 h / > 6 years (typical use)
Farbwiedergabeindex / Colour Rendering Index	CRI > 95
Netzgerät / Power Supply	100 - 240 VAC in / 24VDC out / 36 - 240 Watt
Lichtausbeute / Light Efficacy	117 Lumen / Watt
Befestigung / Mounting Options	Magnet, Clip, Nut / Magnet, Clip, Groove
Abdeckung / Cover	diffus oder klar / Diffused or Clear
Länge / Length	100 mm - 1.500 mm
Prüfzeichen / Compliance	VDE-ENEC 30026085/7023838, IP 20, III
